

CompBenefits - dental plans

What is a PPO?

The CompBenefits PPO (Preferred Provider Organization) plan is comprised of dental providers and specialists who offer services at a reduced rate to members. The PPO plan however, still offers flexibility by allowing services by out of network dentists and specialists, generally at higher costs to the members.

Who are the Participating PPO Providers?

Locate available CompBenefits Dental PPO dentists by visiting www.mycompbenefits.com (current members only) or by calling Customer Care at 1-800-837-2341.

What is a DHMO?

The CompBenefits DHMO (Dental Health Maintenance Organization) plan is tailored to emphasize preventive care and cost containment. With this plan there are no waiting periods, no pre-existing condition exclusions, no deductibles, no annual maximum, and no claim forms to file. The DHMO plan provides you the opportunity to register and visit any of the General Dentists in our network as well as the alternative of seeing a network Specialist Dentist without a referral.
