Please refer to your Schedule of Benefits for complete details.

## ID Cards:

Accessing your vision benefit is easy. Before scheduling an appointment for eye care, look at the list of network doctors in your area. Select a doctor from the list and call for an appointment. Identify yourself as a VisionCare Plan member and give your doctor your plan information. At the time of your appointment, simply show your ID card and sign the VisionCare Plan form. It's that easy!

If you choose an Out-of-Network eye doctor, pay the entire charge at the time of your visit and send your itemized bill to us for payment, according to your Schedule of Benefits. Keep a copy for your records but send the original to:
