

Take Care of Your Teeth With CompBenefits and Help Prevent Excessive Costs.

It's a widely accepted fact that dental disease is preventable. Dentists stress regular brushing, flossing and periodic check-ups. CompBenefits makes preventive care affordable. CompBenefits will enable you to take better care of your teeth, and you'll pay less to do it. You'll save money. You'll help prevent tooth decay and gum disease which could save your teeth.

### Friendly, Efficient Member Service

CompBenefits Member Service Representatives are trained to help you with your questions. They are familiar with your benefits and the dentists on the panel. They'll also answer your questions clearly and completely.

### Freedom of Choice

You still have the option of using any licensed dentist for treatment. The plan reimburses a percentage of eligible expenses based on the plan you have chosen.

### Quick Claims Turnaround

CompBenefits' state of the art claims center provides fast reimbursement of your claim.

### How Does The Plan Work?

1. The Indemnity plan allows you to seek treatment from any licensed dentist.
2. Once services are performed, you or your dentist must file a claim form in order to receive reimbursement.
3. Your claim will be paid based on your group's schedule of benefits. Benefits will be payable after your deductible and coinsurance (if applicable) is satisfied. Your plan, also, has an annual limit on benefits available.

### Reduced Out-Of-Pocket Expenses

By using one of our PPO providers you have the benefit of reduced out-of-pocket expenses. You also get additional peace of mind knowing that our providers go through an extensive credentialing process.
