## *What to expect from your dental plan:*

Think about this: Your dentist tells you that you need a complicated dental procedure best performed by a specialist. Would you have the resources to keep that appointment?

CompBenefits' CS Series dental plan makes that decision a lot easier. The CS Series provides you the opportunity to visit any of the General Dentists in our network as well as the alternative of seeing a network Specialist Dentist to complete these intricate procedures.

Your CompBenefits' CS Series dental plan also provides you with routine cleanings and x-rays every six months, topical fluoride for children up to 16 and local anesthesia, among others.

With our exhaustive schedule of benefits, you will know up front how much your co-payment will be, and for procedures that may not be listed on the CS Series schedule, you'll receive a 25 percent discount off a network dentist's usual fees.

Additionally, CompBenefits' CS Series gives you freedom from deductibles, claim forms, waiting periods, or benefit maximums.

# frequently asked questions

## **Q. *What are CS Series DHMO plans?***

- A.** CompBenefits' CS Series DHMO plans are network-based products that emphasize prevention and cost containment. In order to receive services, you select a primary dentist who participates in the CompBenefits DHMO network. The plan provides for quality care and allows members to seek care from in-network specialty dentist at fixed co-payments. These plans provide savings ranging from 20 percent to 60 percent off regular dental procedures. The plans do not cover services (except emergency care) received from out-of-network dentists.

## **Q. *How does the plan work?***

- A.** Your primary dentist will provide all of your routine dental care. When you visit your primary care dentist, simply present your CompBenefits identification card. You may be required to pay a co-payment for some services provided by your primary care dentist. If the dental services provided are not listed as covered procedures under the plan, primary care dentists will give you a 25 percent discount off their usual fees. Should you require the services of a specialty dentist, you can choose any in-network specialty dentist under the CompBenefits DHMO plan. All in-network specialists will provide services at the co-payment listed on your schedule of benefits. The co-payments are billed by the participating dentist at the time of service, so there are no claims forms to file. You pay your dentist directly, if applicable.

## **Q. *How many times a year can I visit my dentist?***

- A.** You are encouraged to visit your dentist regularly. With your CompBenefits' CS Series Plan, you are not limited to a specific number of visits per year.

## **Q. *How do I make appointments?***

- A.** Making an appointment is easy. Once you have selected your participating dentist, simply call the dental office on or after the date you receive your certificate of coverage and make your appointment. Your enrollment information will already be at or on its way to your participating dentist's office, confirming that you are eligible for treatment.

## **Q. *What if I need a specialty dentist?***

- A.** When you need treatment from a specialty dentist you can visit one of the participating specialty dentists from our network, and you will only be responsible for the co-payment listed on your schedule of benefits.

## **Q. *Is there any maximum coverage limitation?***

- A.** No, there are no maximum coverage limitations.

## **Q. *How do I pay for services?***

- A.** You make your co-payments to the dentist at time of service.

## **Q. *What if I go to a non-participating dentist?***

- A.** You will not be eligible for benefits from a non-participating dentist. You must seek treatment from the participating dentist you selected.
